

COLLECTION DRIVE TOOLKIT

Everything you need to host your very own collection drive for Bright Blessings!

Thank you for hosting a collection drive for Bright Blessings! Your willingness to host a collection drive will help us supply gifts and necessities to the families we serve. This year, we anticipate we will serve over 25,000 children, so that means this collection drive is imperative to our mission and we are so grateful for your help!

Bright Blessings first began in 2005 as a monthly birthday program for children staying at the Salvation Army Center of Hope in Charlotte, North Carolina. Our organization's founders, John and Amy Cervantes, wanted to help brighten the lives of homeless or impoverished children while also instilling a love and commitment for community service in their own young children. What started as a family project to celebrate homeless and impoverished children on their birthday has grown in ways we could not have imagined.

Today, Bright Blessings remains a volunteer-led organization that impacted more than 28,000 homeless and impoverished children in 2023. Through our core programs; Bless-A-Birthday, Bless-A-Baby, Gift of Literacy and Gift of Care, we are able to reach thousands of children every single month. Bright Blessings now has partnerships with over 30 local agencies and is serving school children in the following 4 counties: Mecklenburg, Union, Cabarrus & Gaston.

This collection drive toolkit will provide you with:

- A list of needed items
- A collection sign to use for advertising
- A tip sheet for a successful drive
- A donation receipt

Books do more than tell a story. For disadvantaged children, the path to academic success is often hindered by poverty circumstances. With little or no resources for books and learning tools, many of these otherwise capable students lag behind their peers in reading and academics. Our Gift of Literacy program helps fill the gaps where poverty undermines promise. Every year we provide thousands of children with new books and educational learning resources.
