GIFT OF CARE | Health. Nutrition. Comfort. Good health and hygiene, a sense of security, and proper nutrition are all crucial factors in the physical and emotional development of children. For homeless children and children living in poverty, these necessities are all too often out of reach.

Our Gift of Care program gives essential support to children who lack the most basic of necessities, including personal care and hygiene supplies and comfort items like blankets, pillows and stuffed animals. We want to ensure that every child we serve receives the extra support they need to help combat the effects of poverty.

CONSIDER HOSTING A COLLECTION DRIVE FOR THESE ITEMS:
